RVL COLLECTION

SLEEK INTEGRATION

Standing at the forefront of modular design, ovens and warming drawers can be stacked vertically or side-by-side. Fully integrated products fit seamlessly into standard cabinetry and offer limitless design possibilities.

- **Available in All Black Glass** or **Stainless Steel** with black glass accents, the Viking RVL Collection offers a sleek, modern aesthetic to complement any kitchen style
- **Innovative touch control** ensures intuitive operation with a smooth, easy-to-clean interface
- **Seamless integration with no bottom venting** creates a high-end, built-in look without visible vents disrupting the design
- **Minimal product reveals** enhance the streamlined, modern aesthetic with reduced visible edges
- **Clean airwashed door** regulates intake air to cool the oven and outer glass, ensuring safety and optimal performance
- **Ability to install two single or double ovens side by side** provides flexibility for large kitchens and multi-course meal preparation
- **European-style hinge** ensures smooth, durable door operation
- **Can be installed flush or integrated**, allowing for flexible design options to match any kitchen layout

INTUITIVE CONNECTIVITY

Pair your smart phone with the RVL oven, and place our ever-expanding collection of recipes in the palm of your hand. You'll enjoy effortlessly elevated home cooked meals, and take the guesswork out of cooking and baking.
